

## Financial Policy

This statement is to inform you of our financial policy. We are committed to providing you with the highest quality dental care using only the best materials and technology available on the market today. We are also committed to providing you with up-to-date information and educational tools so that you may fully participate in maintaining optimum oral health. Our financial policy is intended to facilitate excellent service to you while minimizing our administrative cost.

All charges you incur are your responsibility regardless of your insurance coverage. We must emphasize that as your dental provider, our relationship is with you, our patient, not with your insurance company.

As a courtesy to you we will help you process all your claims. You may direct your insurance company to pay your benefits to our office by signing the authorization on the Assignment of Benefits Agreement. In order for our office to file your insurance claim, you must bring proof of insurance to each dental appointment.

Payment is due at the time of service provided. Our office accepts cash, personal checks, MasterCard and Visa. Outside financing is available through CreditCare upon request and approval.

If you have any questions regarding our financial policy, please ask. We are committed to providing you with the most positive experience in dental care.
